During this action, the ref was knocked down by both men; all of this caused the final decision. Sullivan & Von Raschke had to be restrained, from fighting, by the other wrestlers who, poured out of the dressing room. Strongbow & Tenryu were among the wrestlers who came out to assist in this action. Strongbow still went after Tenryu during all this activity. Before this bout began, Sullivan gave this writer (Paul Abbinante) a small American Flag, to hold. Later on Sullivan wanted the flag back and after its return, used it on Von Raschke.)
Austin Idol W. Tommy Rich -DQ. (The Ref, at one point, was knocked out for a few Moments; During the action. At that time, Idol produced a small belt, with which he tried to subdue Rich. Before Idol took out the belt Rich had the upper hand in this bout. Idol was trying to reinjure Rich's Knee & Leg; By using the belt during his application of the Figure Four Leg Lock. Rich took the belt away from Idol and began to choke Idol with it. The ref then got up and saw that Rich was choking Idol and tried to stop Rich. Rich knocked down the ref, everytime that the ref wanted Rich to break his illegal choke hold, with the belt. Rich was disqualified for his actions. Other Wrestlers stormed out of the dressing room, and tried to restrain Rich from destroying Idol, at the finish of the bout.)

Kevin Sullivan & Tony Atlas W. Ivan Koloff & Alexis Smirnoff (Atlas pinned Koloff with a big Splash, after a Double Team Back Body Drop with Sullivan. Rock Hunter, manager of Koloff, and Smirnoff, was at Ringside during this bout.)

Tommy Rich W. Austin Idol (Idol was cut bloody, on his forehead. Idol started to apply his Figure Four Leg Lock on Rich, but Tommy swiftly turned everything to his advantage. He pinned Idol for the three count, with an Inside Cradle. The Ref. was knocked down and around, during this wild battle between the two blond rivals.)

Harley Race W. Mr. Wrestling 2 (Judges' decision) (This decision was highly disputed, due to the fact that the bout went to the one hour time limit. At the time this bout could have been called a Draw. Race and Wrestling 2 exchanged many holds and counterholds. During this exciting encounter, both men could not finish each other off with their pet holds. At the finish of the bout, Wrestling 2 had Race in a very secure sleeper hold. The three Special Ringside Judges for this bout were Lou Thesz, Dusty Rhodes and Dory Funk, Jr., and all three of these formidable men voiced their opinions from their score sheets. Commentator Freddie Miller asked the Judges for their opinions; Thesz voted for Race, Rhodes voted for Wrestling 2, and Funk, Jr. voted for Race, making Race the winner by Judges' decision. Rhodes disputed Dory's decision. Rhodes got Dory angry, Dory then crumpled his score sheet, and threw it out of the ring, to the ringside floor, where a fan picked up the score sheet and brought it to the ring. The score sheet supposedly had the name Mr. Wrestling 2 on it. Dory insisted that he voted for Race, as the victor of the bout. This resulted in a two to one vote, in favor of Race. Rhodes and Wrestling 2 went after Funk, Jr., who then departed for the dressing room; while Rhodes and Wrestling 2 remained in the ring. Commentator Freddie Miller said the outcome of this disputed decision would be announced in a few days, on the TV tapings. On the TV tapings a few days later, the decision was as follows: Race won by Judges' decision,

(Continued)

on points. Rhodes wanted the N.W.A. to investigate the situation. The fans were urged by the TV commentator, to voice their opinions of the winner of the Race VS. Wrestling 2 bout, by writing in. Several days later, on the TV tapings, Wrestling 2 was awarded a trophy, due to the fans sending in their support pleas, in favor him. The trophy is called "Champion of Champions" trophy. Despite the existing situation, Harley Race still emerged the winner of this controversial bout. In this writer's (Paul Abbinante) opinion, Judge Dory Funk, Jr., had all the right to change his opinion about the decision of his vote for the winner of the bout between Race and Wrestling 2, even if he did at first vote for Wrestling 2. This whole situation of the Judges' voting, seemed to be very obscure to this writer. This bout should have been ruled a DRAW.)

## SUMMARY OF GEORGIA TRIP AND MAT NEWS

My trip to the State of Georgia was very good. I was impressed with the fine city of Atlanta. On April 5, 1980, I went to the TV tapings of Georgia Championship Wrestling, at WTBS, Channel Seventeen, in Atlanta. I was very pleased with the tapings and how the show was run. Commentators Gordon Solie and Freddie Miller had a good card in store for the viewing audience. That evening, April 5, 1980, I went to a town called Griffin, to see an outstanding card held in a beautiful new building called "The Mid-South Memorial Auditorium". This writer,(Paul Abbinante) was treated very well by the manager of the building and his staff (Alvin Goldstein and Associates). Mr. Goldstein reserved a first row seat, Ringside, for me. I enjoyed the card and was very grateful to Mr. Goldstein and staff for their cooperation. Mr. Goldstein has a fine establishment. On April 6, 1980, (Easter Sunday evening) I attended a giant card held at the world famous "Omni", in Atlanta, and was very pleased with the great matches that were presented to the fans. That night, Kevin Sullivan and Tony Atlas beat Rock Hunter's Russian team of Ivan Koloff and Alexis Smirnoff, for the Georgia Tag Team Championship. Also, the feud between Tommy Rich and Austin Idol added another sensational chapter that evening, (April 6, 1980). That bout was packed with much excitement, from beginning to end. The main event, the evening of April 6, 1980, at the Omni, was a N.W.A. World HC. Bout, with Champion Harley Race defending his title against Georgia's own, Mr. Wrestling 2. Both grapplers gave their very best to the bout. All three cards that this writer attended on this trip were presented by Georgia Championship Wrestling, which is a member of the N.W.A. I know now that this summer, at the 1980 W.F.I.A. Convention, to be held in Atlanta, Georgia, all who attend will have a memorable experience.

Although I did not go to the matches in Columbus, Georgia, Promoter Fred Ward and staff, put together excellent cards. This writer would like to attend a card in Columbus during this summer's 1980 W.F.I.A. Convention, and also to attend a card at the Mid-South Memorial Auditorium, in Griffin, presented by Alvin Goldstein, and attend a card presented by Promoter Paul Jones at The Omni, in Atlanta. For the best in Pro Wrestling, GO TO GEORGIA!!

BIG NEWS FLASH: Tommy Rich and Baron Von Raschke have been feuding over the Georgia TV Title. Austin Idol, the Georgia HC. has been feuding with Tommy Rich in Georgia and Tennessee. New faces making waves in the Peach State are Mike Sharpe, Eddie Gilbert, The French Angel and Bob Sweetan.
